

# Pre-Cut Insulator Sheets

## Features:

- 116 standard sizes available
- Pre-cut to mold base size
- With or without center holes
- 1/4" & 1/2" thicknesses available
- Most orders ship same day
- Low thermal conductivity
- Reduces heat loss
- Oil & moisture resistant
- High hot compressive strength
- Asbestos free
- Custom sizes available
- Blank sheets also available
- Made in the U.S.A.

Special insulator sheets available

Available with or without center holes

| PART NUMBER                            | WIDTH  | LENGTH |
|--|--------|--------|
| <b>Thickness 1/4" with Center Hole</b> |        |        |
| IN-88-2H                               | 7.875  | 7.875  |
