

Clear Reinforced PVC Hose

PCS Company's Clear Reinforced PVC Hose is an economical food quality hose for air, water, oil, mild chemicals and alkalis. The hose has a clear smooth cover of PVC that is reinforced with multiple layers of synthetic yarns. The temperature rating for this hose is -5C to +65C(+25°F to +15°F). Compliant with applicable requirements and standards of FDA USDA 3-A and NSF-51. Working pressure ratings are based on 20C (68F). At operating temperature of +65C (150°F) reduce the working pressure by 50%. Recommended to be used with barbed fittings.

Features:

- Sold in 100', 200' or 300' reel depending on hose size
- Compliant with FDA USDA 3-A and NSF-51
- Pressure rating between 65 and 250 psi
- Nominal ID from 3/16" to 2"
- Temperature ratings: 25°F to 150°F
