

## Pipe Nipples - Brass

### Features

- Used for cooling line connections
- Use with cascade assemblies
- Precision quality machined threads
- Standard NPT pipe threads on both ends
- Special lengths available upon request

**U** Inch

| ITEM NO.  | PIPE SIZE (NPT) | OVERALL LENGTH |       |   |       |   |       |   |       |   |       |   |   |   |   |    |    |    |
|-----------|-----------------|----------------|-------|---|-------|---|-------|---|-------|---|-------|---|---|---|---|----|----|----|
|           |                 | CLOSE OAL      | 1-1/2 | 2 | 2-1/2 | 3 | 3-1/2 | 4 | 4-1/2 | 5 | 5-1/2 | 6 | 7 | 8 | 9 | 10 | 11 | 12 |
| BPN16-    | 1/16            | 5/8            | •     | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |
| BPN18-    | 1/8             | 3/4            | •     | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |
| BPN14-    | 1/4             | 7/8            | •     | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |
| BPN38-    | 3/8             | 1              | •     | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |
| BPN12-    | 1/2             | 1-1/8          | •     | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |
| BPN34-    | 3/4             | 1.375          | •     | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |
| BPN1-     | 1               | 1.500          | •     | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |
| BPN1-1/2- | 1-1/2           | 1.750          | •     | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |

Add length to end of item number (i.e. BPN16-1 1/2)

## Pipe Nipples - Stainless Steel

### Features

- Used for cooling line connections
- Use with cascade assemblies
- Standard NPT pipe threads on both ends
- Optimum flow diameters with the strength of stainless steel
- Special lengths available upon request

**U** Inch

| ITEM NO. | PIPE SIZE (NPT) | OVERALL LENGTH |       |   |       |   |       |   |       |   |       |   |   |   |   |    |    |    |
|----------|-----------------|----------------|-------|---|-------|---|-------|---|-------|---|-------|---|---|---|---|----|----|----|
|          |                 | CLOSE OAL      | 1-1/2 | 2 | 2-1/2 | 3 | 3-1/2 | 4 | 4-1/2 | 5 | 5-1/2 | 6 | 7 | 8 | 9 | 10 | 11 | 12 |
| SSPN16-  | 1/16            | 5/8            | •     | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |
| SSPN18-  | 1/8             | 3/4            | •     | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |
| SSPN14-  | 1/4             | 7/8            | •     | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |
| SSPN38-  | 3/8             | 1              | •     | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |
| SSPN12-  | 1/2             | 1-1/8          | •     | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |
| SSPN34-  | 3/4             | 1.375          | •     | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |
| SSPN1-   | 1               | 1.500          |       | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |
| SSPN112- | 1 1/2           | 1.750          |       | • | •     | • | •     | • | •     | • | •     | • | • | • | • | •  | •  | •  |

Add length to end of item number (i.e. SSPN16-1 1/2)
