

F.I.T.S.® Holding Clamp

- Finish: Black Oxide
- Hardness: 44-52 Rc
- Supplied with 3/8-1 1/4" screw
- Sold individually

PCS F.I.T.S.® Holding Clamp is designed to hold the companion insert in the F.I.T.S. U-Frame. The slot in the clamp allows the clamp to stay on the frame during installation and removal of the insert.
