

Hot Sprue Bushing Tips / Nuts

PCS Company's Standard Hot Sprue Bushing Tips and Nuts are offered in Open Nut, Sprue Gate and Bush/Ring Gate styles. The open nut and bush/ring gate tips accept either standard or wear resistant needles for better process control and part cosmetics.

Features:

- 3 tip styles to choose from
- Both .750" and 1.000" diameters for sprue and bush/ring gate tips
- Extra stock option for sprue and bush/ring gate tips
- Titanium ring available for the open nut tip to better control tip temperature
